### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: The prior art does not teach or suggest an organic light emitting device comprising a light emitting layer and an electrode wherein the light emitting layer includes a hyperbranched polymer having hyperbranched molecules uniaxially aligned with a degree of alignment of 0.95 or more and emits polarized light. Additionally, the prior art does not provide for the recited light emitting device, further including a wall structure having a side face roughly perpendicular to a surface of the hyperbranched polymer layer, wherein the hyperbranched macromolecules are aligned roughly in parallel with the side face by interaction with the wall structure. Also, the prior art does not teach or suggest a liquid crystal display including the recited light emitting device. The prior art does not teach or suggest a method for fabricating the recited light emitting device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Camie S. Thompson whose telephone number is 571-272-1530. The examiner can normally be reached on Monday-Friday 8:00 am - 6:30 pm.
